*Lyrics:

Unforgettable: Unforgettable, that's what you are, unforgettable tho near or far. Like a song of love that clings to me, how the thought of you does things to me, never before has someone been more unforgettable, in ev'ry way, and forever more, that's how you'll stay, That's why **darling** (or we can personalize and put first name) it's incredible, that someone so unforgettable, thinks that I am unforgettable too.

To Make You Feel My Love: When the rain is blowing in your face And the whole world is on your case I would offer you a warm embrace To make you feel my love When the evening shadows and the stars appear And there is no one to dry your tears I could hold you for a million years To make you feel my love. I know you haven't made your mind up yet. But I would never do you wrong. I've known it from the moment that we met No doubt in my mind where you belong. I'd go hungry, I'd go blind for you I'd go crawling down the aisle for you There ain't nothing that I wouldn't do To make you feel my love.
