

The ACA Debt Relief Matching Gift Challenge

The Board and Administration of Augustine Christian Academy was approached by a Tulsa based Foundation and challenged to raise \$650,000 to pay down our existing debt. If we are successful in raising this challenge amount, ACA will receive \$650,000 from the foundation as a matching gift!

We have a **target date** to reach this challenge by January, 2020. Though \$650,000 is a significant number, we believe this to be a completely achievable objective. When this challenge is successfully met and matched, Augustine Christian Academy will be free of debt and in a very strong position as we begin our third decade.
