

DAILY CHECK FOR STUDENT HEALTH

We ask that parents check their children's health status at home every morning. Please use the self-check list below.

By sending your child to school, you are representing to Augustine Christian Academy that the answer to each of these questions is "no".

1. Does your child have a fever of 100 degrees or more?
2. Is your child experiencing a new loss of taste or smell, nausea or vomiting, or diarrhea?
3. Is your child abnormally experiencing two or more of the following symptoms?
 - Chills
 - Cough
 - Fatigue
 - Muscle or body aches
 - Headache
 - Sore throat
 - Congestion or runny nose
4. Is your child experiencing ANY of the Emergency Warning Symptoms of COVID-19?
 - Shortness of breath
 - Persistent pain or pressure in the chest
 - New confusion
 - Inability to wake or stay awake
 - Bluish lips or face
5. Has your child had, or do you think your child has, COVID-19?
6. Has your child tested positive for COVID-19?
7. Has your child been around a person with COVID-19?

With the parents' help, children would not even come to school if they are running a fever. However, if a student begins to feel unwell during the school day, we will take their temperature to help determine if they are feeling poorly enough to require a call to their parents or be sent home.
