Frequently Asked Questions

Q: What is Classical Education?

A: Classical Education is designed to make connections. It focuses on history, literature, logic, languages, and thinking skills. The goal of Christian classical education is to prompt the learner to view the world around them and their place in it in light of Scripture. Educationally, classical education uses the Trivium approach to learning—a method that customizes learning approaches according to the logical needs and desires of students' ages and capabilities.

Q: How long has Augustine Christian Academy been around?

A: The school was founded in 1997 with 23 students. Since then, God has blessed us with steady growth, a dedicated campus, and increasing public awareness.

Q: Why is it named Augustine Christian Academy? Is it a Catholic school?

A: We are not affiliated with any particular church or denomination. St. Augustine of Hippo was one of the earliest and most adamant supporters of classical education and taught that learning should make connections. Our name calls remembrance to Augustine's stand for the study of truth and seeks to remind others and us "Ideas have consequences."

Q: How is Augustine Christian Academy organized?

A: We are organized as St. Augustine Academy, Inc., dba Augustine Christian Academy, a 501(c)3, non-profit educational institution under the control of a Board of Governors. The Board sets policy and oversees the daily operations of the school through the administration.

Q: Is there a dress code?

A: Students wear uniforms to school, which includes a daily uniform and special uniforms for "high convocation." Approved spirit wear is expected for extra-curricular activities. We believe in valuing one another based on character instead of externals, and uniforms help keep our focus on that. (For more information about the dress code, please see the Parent/Student Handbook and the dress code handout).

Q: Do you offer art or music?

A: Classical education is steeped in art, music, and literature. We have a vibrant Fine Arts program, and are well known in our community for our annual Christmas Programs and all-school plays.

Q: What is the Trivium?

A: Trivium is simply a Latin term for "three," but it means more than that. Trivium refers to the three schools at ACA – Grammar, Dialectic, and Rhetoric. It is an educational approach that is steeped in history and that is dedicated to approaching learning in the way each age group of students in each school typically learns best. Latin, logic, history, literature, and Bible are all integrated in this approach so that the students learn to make connections among them.

Q: How can I enroll?

A: To enroll, fill out the application for admission on our website at www.acatulsa.org. You will be contacted by our Admission Coordinator, then we'll walk you through the rest of the process.
