Donate your used backpacks

When your child finishes school this year, put that dirty, worn backpack to use changing someones life. Imagine if everything you owned had to be carried everywhere you go. Let someone know their not disposable, but a KEEPER! "KEEPERS" donates used backpacks to men and women who need somewhere to store their life and get a hand up, not out. "KEEPERS" store hopes, treasures, memories, or family photos to provide hope and meaning to someone in need.
