Finals Schedule for May 2015

We are continuing the finals “Opt Out” program that has been so successful in the last few years, and we are simplifying finals for those taking them. Students who are to take finals will come on the days listed below to take their finals in whatever order they wish. They can take a study break between them or go right from one to the other all in the same classroom. Finals will be administered in three different classrooms monitored by three of our teachers. There will be a study hall available in the Great Room as well as a silent study hall upstairs. We ask that students sign in at the office window when they arrive and sign out whenever they leave. There are no other scheduled sessions for finals, so students must take their finals during the times presented.

Finals:  
Wednesday, May 13, 2015 8:00 am to 2:00 pm (lunch available)  
Thursday, May 14, 2015 8:00 am to 12:00 Noon

How may a student “Opt Out” of a final?

A student may choose to skip a final if he/she meets the following three criteria:

1. Be absent no more than two times for the semester
2. Have no outstanding work
3. Have a semester grade average of 80% or better

In Gradenet, each class will have an assignment titled “Semester Final”. If your student has met the three criteria listed above, no later than Monday May 11th the assignment will have “EXC” marked for excused from the exam. If the assignment is blank your student is required to take the exam. Please call the office if you have any questions.
